Dear Mrs Teoh

Thank you for your letter of 28 February 2023 enclosing a copy of the Dinosaur Coast National Heritage Management Plan (DCNHMP) and supporting documents.

The development of the DCNHMP and implementation of strategies will support the management of the National Heritage listed Broome Sandstone and associated dinosaur tracks and fossils. I would like to acknowledge the efforts of all involved in the development of the plan.

I encourage the Dinosaur Coast Management Group, through the Steering Group, to continue to work with the Department of Biodiversity, Conservation and Attractions regarding implementation of management actions.

Thank you for writing to me on this matter.

Yours sincerely
