BROOME WA 6725

Email: [info@dinosaurcoast.org.au](mailto:info@dinosaurcoast.org.au)

Dear Ms Teoh

Thank you for your letter dated 28 February 2023 sent on behalf of the Committee of the Dinosaur Coast Management Group regarding the development of the first ever Dinosaur Coast National Heritage Management Plan (the Plan).

I would like to congratulate the Dinosaur Coast Management Group on this wonderful achievement and note that the Plan outlines strategies to manage and protect the National Heritage listed Broome Sandstone and dinosaur tracks.

I acknowledge the considerable public interest in viewing dinosaur tracks and was pleased to note that Broome has the most diverse and numerous in Australia, and unparalleled globally. This research finding underlines the importance of managing and conserving them for future generations to enjoy. I also noted the Plan identifies opportunities to engage with and learn about the cultural and heritage values of the Dinosaur Coast, with initiatives such as the development of guided tours and educational activities.

Thank you again for sharing a copy of the Plan with me and I wish the Dinosaur Coast Management Group well with its implementation.

Yours sincerely

**HON ROGER COOK MLA  
DEPUTY PREMIER;  
MINISTER FOR TOURISM**
